ACTIVITIES

- I enjoy alpine mountaineering in North America, South America, and Europe. I have climbed several glaciated peaks in these continents, and participated in many search and rescue operations in New Mexico.
 - I enjoy running to stay fit and frequently enter competitive racing events throughout Texas, New Mexico, and California.
 - I also take pleasure in photography and writing, so that I can better remember all that I have seen and done.
-

LANGUAGES

- I am conversant in Spanish. I have taken language courses at Baylor University, in Mexico and in South America.
